

To the Members of DALTA,

On behalf of the Board of Directors, performers, volunteers, and all those involved with the Physically Handicapped Actors and Musical Artists League (PHAMALY), I would like to thank you for your generosity in making PHAMALY your charity of choice this year at your holiday luncheon!

PHAMALY is a unique Denver theatre group whose mission it is to enable persons with disabilities to showcase their talents and abilities through live productions, and to make the performing arts more accessible to everyone. For eighteen years, we've produced live, professional-quality musicals and plays with a company comprised entirely of performers with physical, emotional, or developmental disabilities.

We are proud that we raise a substantial portion of our annual budget from our own performances, but just like any other performing arts organization, we rely on the generosity of our donors. Your support will enable us to continue producing award-winning shows for the Denver community, and also to enhance some of our other unique programs, such as our theatre workshops and our outreach program, which educates and entertains at schools and businesses by highlighting the unique talents and abilities in all of us.

We realize that there are many worthy organizations and causes that merit your support during the holidays, and we want to express our gratitude to you for supporting PHAMALY this season. We hope you will be able to join us for our next production, *One Flew Over the Cuckoo's Nest*, running January 12th through February 3rd at the Aurora Fox Theatre.

Thank you again, and best wishes for the new year!

Sincerely,

PHAMALY
